About PHC4

Created by the PA General Assembly in 1986, the PA Health Care Cost Containment Council (PHC4) is an independent state agency that collects, analyzes and reports information used to improve the quality and restrain the cost of health care in the state. Each year, more than 840,000 reports are downloaded from the PHC4 website and nearly 100 organizations and individuals access and use PHC4 data through special requests. PHC4 is governed by a 25-member board of directors, representing business, labor, consumers, health care providers, insurers and state government.
